

The background is a pixel art scene. On the left is a grey stone castle tower. In the center, three characters stand on a green grassy field: a blonde boy in a blue shirt, a boy with green hair in an orange shirt and blue vest, and a girl with brown hair in a blue shirt and purple overalls. To their right is a girl in a pink shirt and brown hat. Further right is a yellow sword on the ground. On the far right is a small brown house with a yellow roof. The sky is dark blue with a few white stars. At the top, there are two horizontal bars: a green one on the left and a red one on the right, both with a pixelated heart icon inside.

FLEXIBILIDAD

En el mundo del e-learning existen múltiples opciones para aprender, lo que ha hecho que muchos de los procesos pedagógicos virtuales entiendan los ritmos de aprendizaje de las personas y les permitan acceder a sus contenidos de acuerdo a los tiempos de cada una.
